MetPlant 2017

Metallurgical Plant Design and Operating Strategies – World's Best Practice

11–12 September 2017 | Perth, Western Australia

Image courtesy of Outotec. Yamana Gold Chapada

MetPlant conferences bring together design engineers, operations metallurgists and managers, equipment designers and suppliers, geometallurgists, chemical engineers and consultant and research metallurgists.

MetPlant conferences have established a reputation for high quality and relevant technical papers, as well as facilitating extensive conference networking.

The 2017 conference program will be highly relevant to current industry issues.

Conference Convenors

David Pollard, telephone: +61 8 8362 5545

Email: metplant@internode.on.net

Janine Herzig, mobile: 0410 220 355

Conference Dinner

SPONSORSHIP AND EXHIBITION OPPORTUNITIES

Over 80% of exhibition booths are sold.

Gold sponsorship opportunities are still available and provide a high level of exposure at the conference. Gold sponsorship includes an exhibition booth, two complimentary conference registrations and the option to chair a technical session. Individual session sponsorships are also still available on request.

To discuss sponsorship opportunities, develop a package to suit your budget, or any other enquiries, please contact the conference convenors.
