

# MetPlant 2017

Metallurgical Plant Design and Operating Strategies – World's Best Practice

11–12 September 2017 | Perth, Australia

Image courtesy of Outotec. Yamana Gold Chapada

MetPlant has been bringing together engineers involved in the design and construction of metallurgical plants since 2002. Metallurgical managers and planners, operations metallurgists, equipment designers and suppliers, consulting metallurgists and process engineers, as well as R&D professionals all benefit by discussing the most recent developments in metallurgical plant design and optimisation of operations.

## METPLANT 2017 KEYNOTE SPEAKERS

- Dean David FAusIMM(CP), Amec Foster Wheeler
- Dr Kathy Ehrig MAusIMM, BHP Billiton
- Peter Munro FAusIMM, Mineralurgy
- Alan Dennis MAusIMM(CP), Outotec

The conference program will present 30 quality, relevant papers. **Read and download the abstracts now at [www.metplant.ausimm.com.au/abstracts](http://www.metplant.ausimm.com.au/abstracts)**

## CONFERENCE WORKSHOPS

- W1:** Gold Recovery Without Cyanide
- W2:** Dry Stacking of Tailings
- W3:** Processing Lithium Ores

## CONFERENCE CONVENORS

David Pollard, telephone: +61 8 8362 5545  
Email: [metplant@internode.on.net](mailto:metplant@internode.on.net)  
Janine Herzig, mobile: 0410 220 355  
Email: [janine@metval.com.au](mailto:janine@metval.com.au)

## EVENT MANAGEMENT: The AusIMM

Rachel Magill, Senior Coordinator, Events  
Telephone: +61 3 9658 6128  
Email: [rmagill@ausimm.com.au](mailto:rmagill@ausimm.com.au)

## REMAINING SPONSORSHIP AND EXHIBITION OPPORTUNITIES

Gold sponsorship opportunities are still available and will provide your organisation with a high level of exposure throughout the conference. You can nominate an exhibition booth in a premium location, receive two complimentary conference registrations and the option to chair a technical session with your company name and logo featured.

Individual session sponsorships are available on request.

To discuss the remaining opportunities, please contact the conference convenors.
